D2 CLUB NEW COLOURS ADDED TO CRUISING RANGE FOR 2024

Introducing three new colourways for the 2024 sailing season to meet increased demand from sailors for additional colour options in Marlow's high performance cruising Dyneema® range. White core construction - easy to splice, can be stripped and tapered.

- White with red and charcoal grey markers
- White with blue and charcoal grey markers
- White with green and charcoal grey markers

EXCEL HPR - EXTREME DINGHY PERFORMANCE

HPR is our most technically advanced dinghy line yet, specifically manufactured for the new breed of Power Ratchets. Tried and tested on the GBR Nacra 17 for Tokyo 2020 and as they approach Paris 2024. HPR has a superior Technora and Dyneema blended cover giving maximum life span in today's high power ratchet blocks.

Produced in 7mm, its Perfect for kite & Mainsheet options on 505, Nacra 17, 49er, 49er FX, J70, OK, Scorpion & and any other boat that requires power ratchets.

DINGHY+ ACCESSORIES

NEW REEL PACKAGING

100%
RECYCLED +
RECYCLABLE

Marlow's new rope reels are manufactured using PP Polypropylene plastic and whilst being made from recycled plastic, can also be recycled at the end of life as LDPE code 5. These new reels provide improved durability and longevity to ensure the safe transportation and storage of Marlow's high performing rope solutions.

NEW
SIZE

New 0.7mm HMPE high-strength Whipping Twine option developed to satisfy the demand for a strong, abrasion resistant whipping material that also lays flat.
