

## Through Fix Windows

Through Fix Windows are a cost effective and well proven means of providing light and ventilation for a wide variety of boats.

Through Fix Windows are suited to various hull thickness and the window is fixed directly into the superstructure or hull.

A variety of toughened glazing is available for the Through Fix Windows, ranging from 4mm Single pane to Double Glazed or Laminated units.

There are a range of finishes available, from powder coating in a colour of your choice to a silver satin anodised finish or a combination of both.

With all Through Fixing frames, different trims are available as an optional extra, as are the fastenings.

### Through Fix Window Types:
