

Barton Flush Mount Deck Plate With Fixing Eye

NEW - 2022

Introducing the Barton flush mount deck plate with fixing eye. Turned from solid bar 316 stainless steel with a highly polished finish, the deck plates are offered in three standard thread sizes – M8, M10 and M12.

Designed to be mounted flush with the deck using three fixing bolts, the sealed internal thread prevents water ingress, the design prevents trip hazards onboard when not in use. The range allows for a multitude of uses, to include:

Temporary fixing eyes, boat tie downs, deck mounted boarding ladders, stand up blocks, davit mounts, life raft holders, dive tanks.

All our deck plates feature a Universal metric thread.

Diameter = 50mm
Depth = 22mm
