ABOUT SPRINGFIELD MARINE

Springfield Marine Company is renowned for pioneering the marine seating market with innovative designs that have generated numerous patents and acknowledgments that still hold the brand strong today. The company continues to develop products to meet the growing needs of the marine industry while maintaining the highest industry standards for safety, durability, and comfort.

To ensure quality and customer satisfaction, Springfield Marine maintains the following authentications:

- **ABYC H-31 Classifications (USA)**
- **NMMA - National Marine Manufacturers Association**
- **NMDA - National Marine Distributors Association**
- **Certificate of type approval of China Classification Society (CCS)**
- **DNV Business Assurance Management System Certificate (DNV)**
- **Type Approval Certificate (BV)**
- **EC Type-Examination Certificate**

Springfield Marine products are backed by the following manufacturer warranty terms:

HARDWARE - 5-Year Limited Warranty: Pedestals, Mounts & Accessories

For a period of 5 years from the date of sale to the first use purchaser, Springfield Marine Company will replace, at our discretion, any product which proves to have manufacturer's defect in materials and workmanship under normal and proper usage.

SEATING - 1-Year Limited Warranty: Upholstery, Cushions & Electrical Components

For a period of 1 year from the date of sale to the first use purchaser, Springfield Marine Company will replace, at our discretion, any upholstered product which proves to have manufacturer's defect involving vinyl, fabric, leather or foam components in materials and workmanship under normal and proper usage.

SEATING - 5-Year Limited Warranty: Frame & Substrate

For a period of 5 years from the date of sale to the first use purchaser, Springfield Marine Company will replace, at our discretion, any seating product which proves to have a manufacturer's defect involving frame or substrate components in materials and workmanship under normal and proper usage.

Limitation of Warranty

This warranty does not extend to consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Springfield Marine Company is not liable for improper installation or improper use of the product or any failure or problems from lack of reasonable maintenance, racing activities, or commercial applications. These products are not designed or warranted for racing or high-performance use. Commercial use restrictions apply - contact for details. This warranty shall be considered void if the seat or any accessory/equipment has been altered, modified, changed, or reworked, subjected to abuse, neglect, or accident, including abnormal use, and if the seat is installed in a manner that would subject the seat to abnormal use. The warranty shall be considered void if mixing Springfield Marine Company components with parts that are manufactured by any brand other than Springfield Marine Company. The foregoing is the only warranty or representation made, express or implied, and specifically, there is no warranty of merchantability and no warranty of fitness for a particular purpose

To obtain service under the warranty, **a customer must notify our customer service department to obtain a return material authorization number** by sending an email to: warranty@springfieldgrp.com
Customers are responsible for paying return freight as well as the freight on a new order if making an exchange. Springfield Marine Company is not responsible for return packages that are lost or stolen in transit.

Authorized returns must contain the following information on the shipping label:
