High Touch Surface Disinfectant

SPECTRASAN 24® Ready-To-Use DISINFECTANT WITH 24 HOUR PROTECTION	
FEATURES	<ul style="list-style-type: none"> • Broad Spectrum Rapid Kill - 20 Times Faster (30 Seconds) • Kills influenza A (H1N1)** • 24-Hour Protection - One application continues killing for 24 hours • Kills MRSA & VRE in 2 Minutes • Does Not Induce Bacterial Resistance • EPA Category IV Toxicity Rating (the lowest) • Odorless and Colorless • Anti-bacterial, Fungicidal, Virucidal • Formulated For Childcare Environments

How can SpectraSan 24™ benefit me?													
SpectraSan 24™ kills germs 20 times faster than traditional disinfectants. It kills many germs in just 30 seconds, H1N1 in 3 minute and "Super Bugs" like MRSA, CA-MRSA, PVL-MRSA, and VRE in just 2 minutes. Plus, when other disinfectants dry on the surface, they stop working. In contrast, SpectraSan 24 has residual efficacy that not only provides protection, but continues to kill bacteria for 24 hours. SpectraSan 24™ can be applied to water safe objects.													
USES	<ul style="list-style-type: none"> • Healthcare • Food Service • Hospitality • Schools • Athletic Facilities • Transporation

PRIVATE LABELING

You Won't Sacrifice Quality When Nilodor Puts Your Name On The Bottle

Is It Difficult To Get Started?

No, all you really need is the product you would like to private label, product name, colors and a scannable logo... Nilodor will do the rest. We will supply you with a paper proof for your approval. Within 10 business days of final art approval, your customized products will be on your docks.

What Are The Minimums?

For most products, an initial opening order of 25 cases per product/fragrance and a minimum reorder of 15 cases is all you need.

What Can I Private Label?

Most products in our full line brochure can be custom branded.

Am I Getting The Same Product As A National Brand?

Yes, you will be getting the same quality products as our nationally branded items.

Can I Put My Customer's Name On Products?

Yes, we currently private label for schools, airports, healthcare, etc. Custom branding your customers name or logo will make you stand out from your competition.

Can I Custom Blend?

Yes, our technical department can help you custom blend any product and fragrance to fit your needs.
