EXPERIENCE UNPARALLELED AIR FRESHNESS

Clean, stylish, modern and functional design for every facility

**30** DAYS | **60** DAYS | **90** DAYS  
**GUARANTEED**

Grande Cartridge  
30/60/90 Days

Constant fragrance and  
malodor elimination for  
30/60/90 days

**oxygen-gen**<sup>®</sup>  
POWERED

# Oxy-Gen<sup>®</sup> POWERED

## Freshness, All the Time!

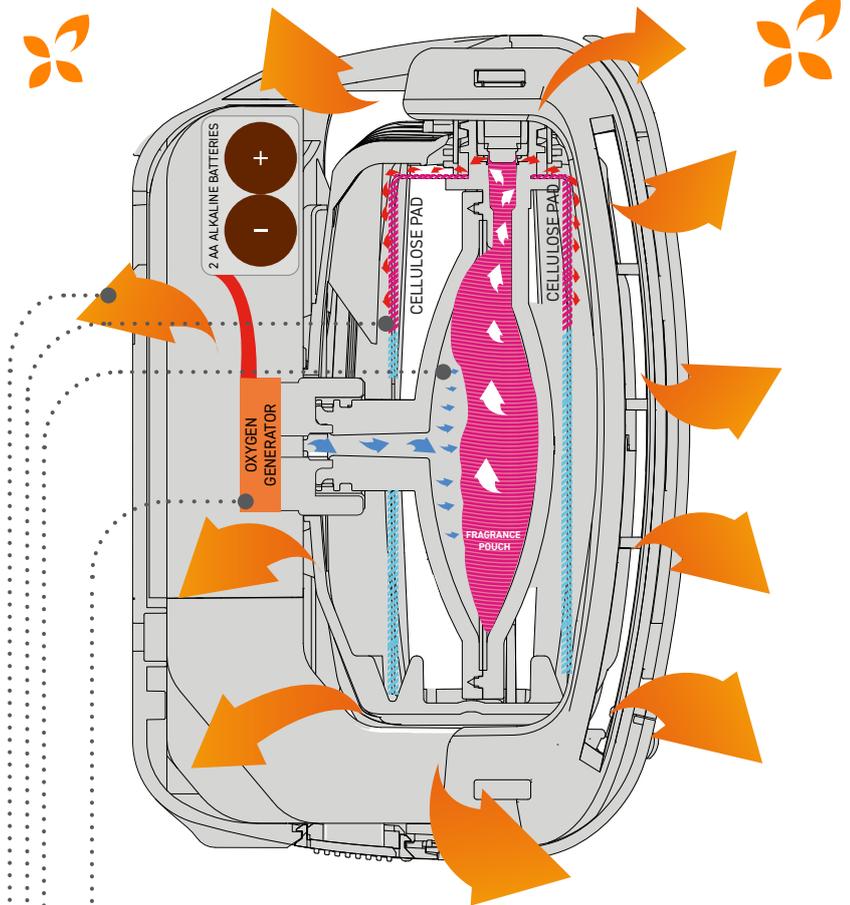

Oxy-Gen Powered<sup>®</sup> is the **only technology that guarantees** the delivery of fragrance in the air **continuously, consistently and accurately** for the entire duration of the chosen cartridge cycle of 30,60 or 90 days.

Oxy-Gen Powered<sup>®</sup> is based on proven, patented fuel-cell technology that is used in the pharmaceutical industry where precise doses are essential to treat human beings and animals. It is **not an aerosol system** and **does not have a fan or heater**.

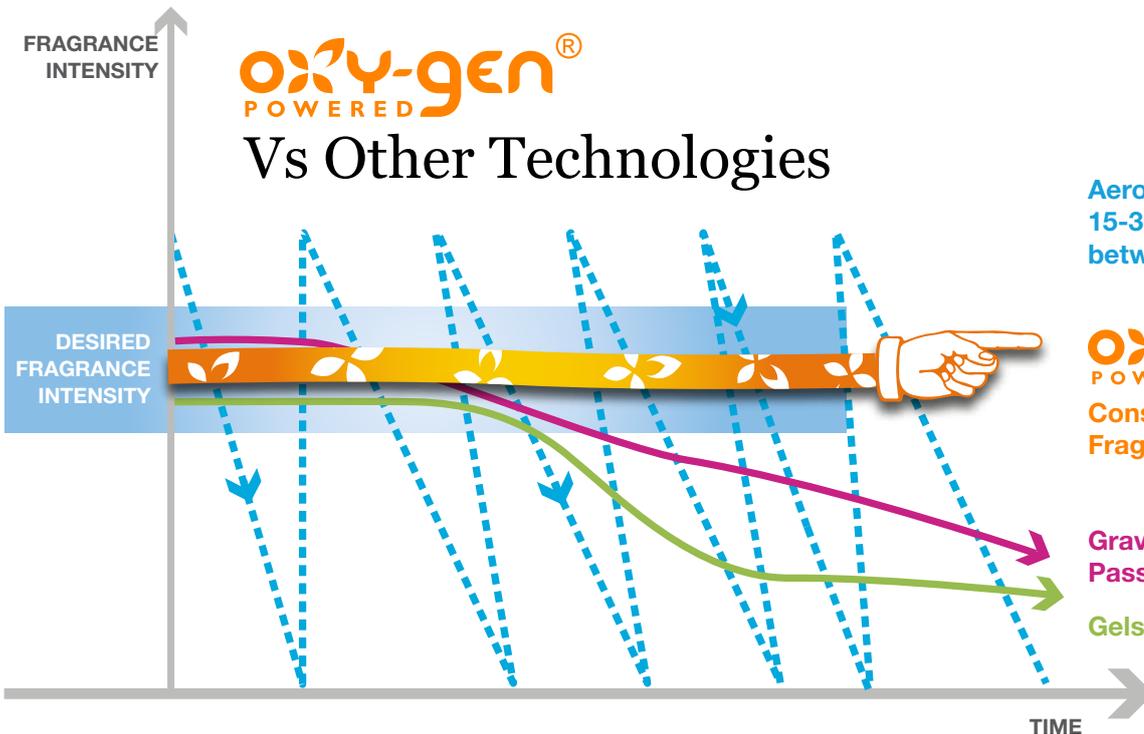

Oxy-Gen Powered technology is **simple, reliable and cost-effective**.

**Two years warranty on the dispensers**

- 1 The **oxygen generator** continuously releases a precise dose of oxygen all-day, every day.
- 2 The **oxygen squeezes** the fragrance pouch, displacing the fragrance.
- 3 A **continuous, measured dose of fragrance** is delivered onto the cellulose pad.
- 4 Pure fresh **fragrance** is released into the room.

**Aerosols**  
15-30 minutes  
between sprays

**Oxy-Gen<sup>®</sup>  
POWERED**  
Consistent Continuous  
Fragrancing

**Gravity and  
Passive Systems**

**Gels and Wicks**

# All new elegant and integrated design

Oxygen-Supreme's new stylish design is perfect for every or any facility. Available in a range of colors and striking finishes with new two tone possibilities, the Oxygen-Supreme System will elevate the image of your washrooms, offices, reception areas, conference rooms and more.

Push Button

Key lock

## User friendly access

Oxygen-Supreme dispensers offer user-friendly access for easy cartridge installation and replacement. Choose between the convenience of a push-button or key lock option.

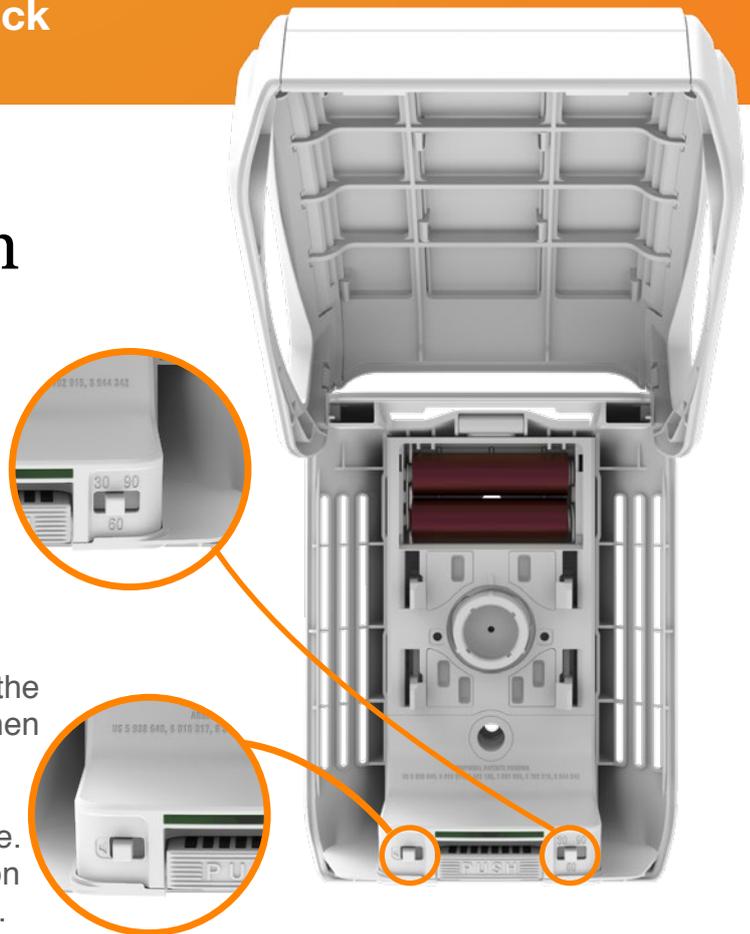

## Non-aerosol programmable system

### 30/60/90 Selector Switch

Tailor your experience with Oxygen-Supreme dispensers by setting the selector switch to your chosen cycle of **30, 60 or 90 days**. Enjoy uninterrupted and consistent fragrance and odor control throughout the chosen period.

### Normal-Eco Mode Switch

Use the Normal-Eco Mode switch to transition the dispenser from Normal mode to Eco mode. When operating in Eco mode, the dispenser provides significant battery savings by deactivating light and buzzer alerts throughout the cartridge cycle. No lights will be active after the initial installation until a cartridge or battery change is necessary.

## LED light indicators provide cartridge and battery replacement reminders

2 x AA Alkaline batteries last for one year

Replace Batteries

## Eco-friendly & Safe

With no added VOCs, solvents, alcohols, propellants or CFCs, Oxygen-Supreme cartridges contain **100% pure fragrance oil** and are a safe choice for any facility. As the cartridges are not pressurized containers, they are **safe to transport and store**. Cartridges are empty at the end of the cycle and can be safely disposed in a plastic recycling bin.

Cartridges are compliant with

## Effective Fragrancing and Odor Control

All cartridges contain **neutra-lox** malodor eliminator

All Oxygen-Supreme cartridges contain Neutra-lox, our proprietary malodor eliminator which, unlike other systems that only mask odors, eliminates the odor causing molecules, leaving only fresh fragrance in the air. **It is extremely effective against the smell of urine, feces, body odor, tobacco, pet malodor, kitchen odor, mold, mildew, etc.**

## Oxygen-Supreme Coverage

Easily covering upto **6,000 cubic feet** or **170 cubic meters**

The new boosted airflow design ensures that each dispenser easily covers upto **6,000 cubic feet or 170 cubic meters**.

# Wide range of Fragrance Cartridges with Neutra-lox malodor eliminator

**bloom**

An exotic floral scent of night flowering jasmine, orange blossom and gardenia.

**crush**

An exotic mix of pineapple, tropical fruits and coconut.

**glow**

Juicy black cherries, with a hint of almond, plum, vanilla and cinnamon spice.

**spa**

A fresh, invigorating scent with fragrant lavender and spicy herbs.

**tang**

An intensely fruity perfume with hints of orange supported by warm spices.

**adore**

A sophisticated fragrance that combines fresh apple notes with amber and spices.

**elate**

A designer fruity, floral fragrance with Musk notes.

**elan**

An agrestic fougere aromatic fragrance with citrus notes.

**charm**

A fantasy melon fragrance modified with cool green notes, a hint of citrus and a slightly floral background.

**spring**

Intense floral notes of ylang-ylang, lavender and geranium with hints of fresh cologne and lemon.

**verde**

Green apple fragrance with a hint of musk.

**vita**

Green Tea and floral fragrance with citrus notes.

**zing**

A freshly sliced, mouthwatering mandarin fragrance sweetened by lush, juicy orange.

**flair**

A pure, clean fragrance of delicate florals and watery notes.

## Non-Fragrant Odor Control Cartridges

For facilities that desire specific malodor eliminators without any fragrance or a very low fragrance, a choice of two new cartridges are available.

**neutra-lox super**  
odor eliminator

With a hint of lemongrass fragrance, this is the ideal choice for areas where high odor elimination is required with Very Low fragrance.

**klee'r natural**  
odor eliminator

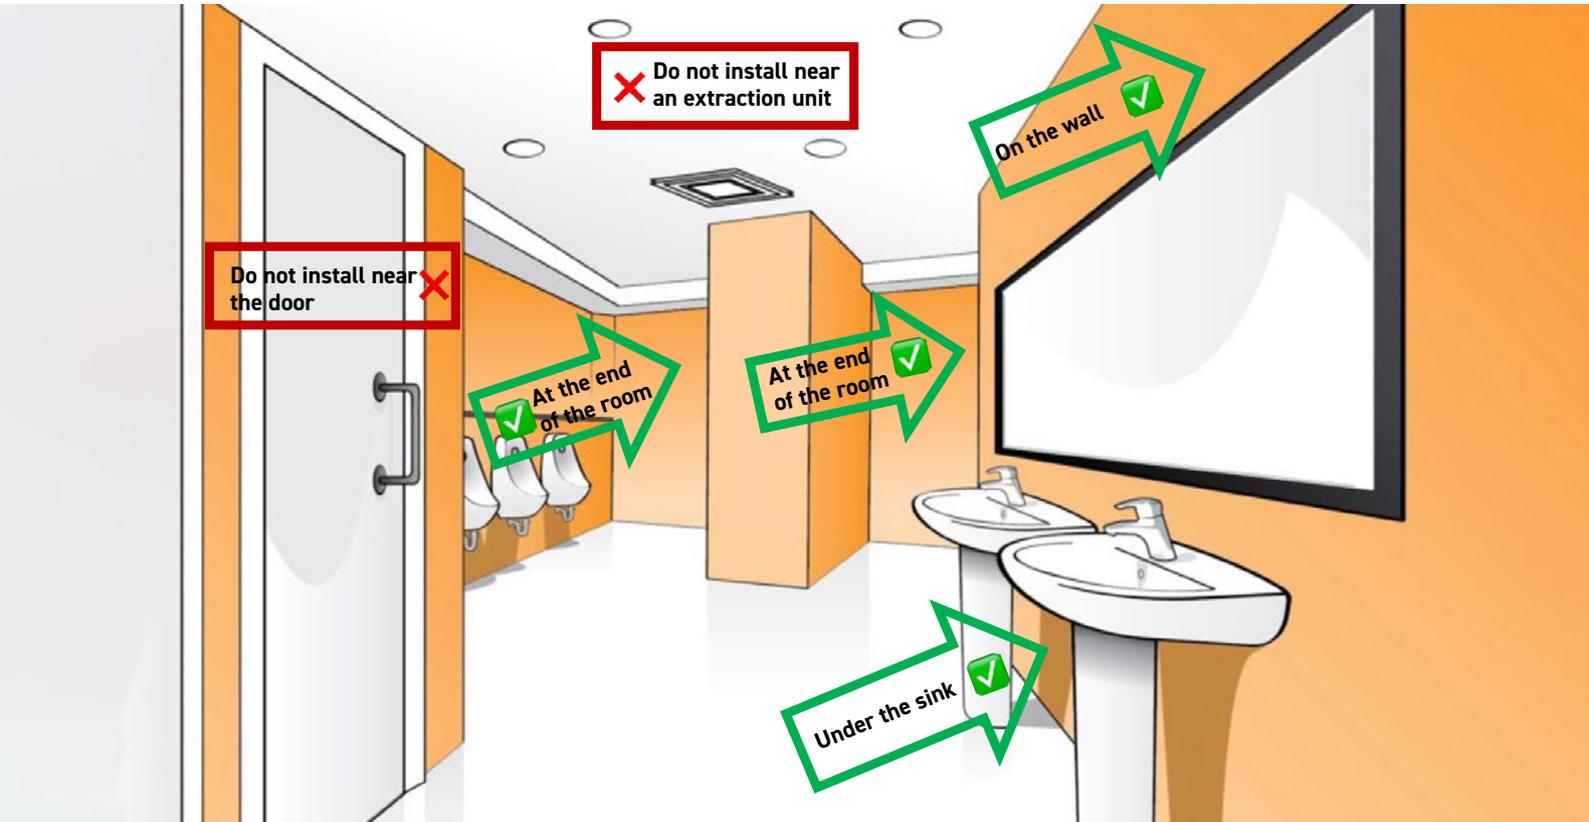

With no added fragrance oils and a 100% natural plant oil base as the active ingredient to neutralize a broad spectrum of odors. Klee'r Natural is the ideal choice for areas where No Fragrance is desired.

## Multiple Color Options

The modular design offers quick turn around customization for an exclusive dispenser design for your own brand.
