MOORMEDS CAN NOW BE FOUND IN YOUR LOCAL CHANDLERY IN TWO DIFFERENT STYLES, THREE DIFFERENT PACK SIZES AND THREE DIFFERENT MATERIALS.

MOORMEDS ORIGINAL SLEEVE

Moormeds Sleeve is designed without straps for that clean and sleek look, encasing your mooring line, hose pipes and shore cables all in one, the ultimate protection with a flexible design.

MOORMEDS STRAP EDITION

Moormeds strap edition is designed with straps so that you hang the sleeve below the mooring line; the straps have buckles, which can be adjusted to the desired hanging height.

This design especially benefits larger vessels with heavier shore cables due to the added strength the straps provide.

MOORMEDS PVC

Moormeds PVC: Made out of high tenacity polyester, woven, PVC coated and embossed one side. A lightweight product, easy to store, totally waterproof.

Available in many different colors and backed with a 2-year warranty against rot, mildew and discoloration in normal atmospheric conditions.

2yrs Limited Warranty

MOORTEX

MoorTex is designed utilizing the latest in fabric making technology, a new lightweight material that stops water getting in, yet retains the ability to breathe allowing any moisture to escape.

100% Solution Dyed Polyester. Its urethane coating enhances the stability of the weave and allows for greater water resistance, while also minimizing shrinkage and stretching.

Available in many colors and backed with a 3-year warranty against rot, mildew and discoloration in normal atmospheric conditions

3yrs Limited Warranty

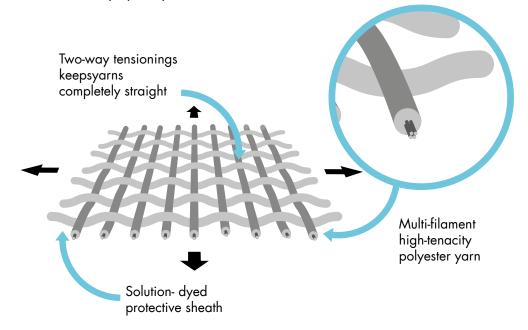

MOORMESH

A lightweight alternative to MoorTex and Moormeds PVC, MoorMesh is a low maintenance material and dries very quickly, although all our moormeds breathe allowing moisture to escape.

4yrs Limited Warranty

MOORMESH CHARACTERISTICS

- High-tenacity polyester yarn
- Optimised weave opening
- Does not tear, extremely strong
- High resistance to outdoor conditions
- Easy upkeep with soapy water
- Regular tension maintained: no bagging phenomenon
- Weave regularity, yarn squareness, guaranteed finish and aesthetics
- Dries very quickly

DOUBLE PACK: $2 \times 1.25 \text{M}$ MOORMEDS = 2.5 M TOTAL LENGTH TRIPPLE PACK: $3 \times 1.25 \text{M}$ MOORMEDS = 3.75 M TOTAL LENGTH

LIMITED WARRANTY

This limited warranty is valid only if a copy of the invoice for the item purchased is submitted showing date of original purchase. This limited warranty covers the fabric becoming unserviceable because of loss of color or strength from normal usage and exposure conditions, including sunlight, mildew and atmospheric chemicals. Consumer is responsible for normal care and cleaning of the fabric. The warranty covers fabric only.

STORAGE

To ensure longevity of your Mooreds, store in a dry, preferably shaded location and if storing after washing be sure to allow it to fully dry before storage. Make sure not to store against any hot surface as this can distort the fabric structure.

CLEANING AND CARE

To avoid accumulation to dirt or any other particles, it is necessary to clean the fabric regularly. Moormeds PVC/MoorTex and MoorMesh can be cleaned easily, Just brush off the dirt with a soft bristled brush and wash with a solution of natural soap and water. Do not use any detergents or solvents. Finally remove soap thoroughly with plenty of fresh water and allow to dry.

PERSONALISED LOGO'S

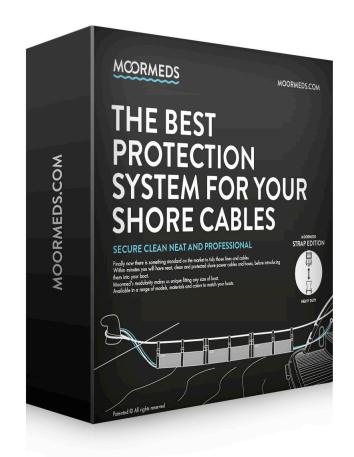

Moormeds also works as a very highly visible marketing tool, raising your brand awareness as Moormeds are placed in a high visibility area at the stern of the vessel creating not only a clean, neat and professional entrance but also an opportunity for everyone to see your brand advertised in full view!

We are already working with a number of high profile marine companies providing our product with custom embroidery at a very high quality, ensuring people are left with the clean image of your company upon boarding and disembarking every time...

FINALLY NOW THERE IS SOMETHING STANDARD ON THE MARKET TO TIDY THOSE LINES AND SHORE CABLES, AVAILABLE STRAIGHT FROM THE LOCAL CHANDLERY.
