●

**TESSILMARE**[®]

Aria is not only a new sun-top.

It is innovation.

Made by **Tessilmare**.

ARIA

Aria is projected and produced
by **TESSILMARE** - Italia

DESIGN

Totally re-designed.
Simply unique.

COVER

Wider. More shadow.
Enjoy relax. For the whole day.

JOINTS

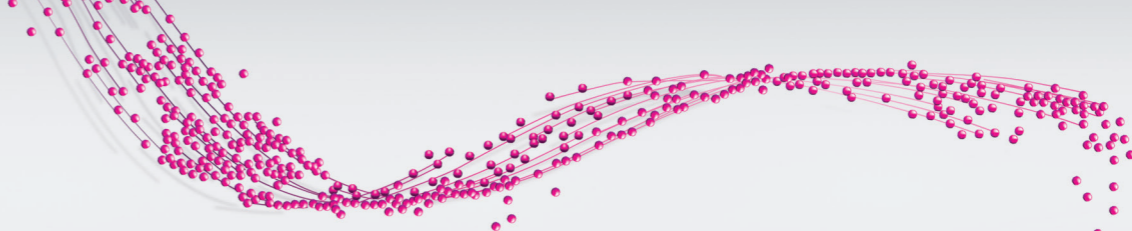

New locking system.
Nothing more to move. Easy, right?

STRUCTURE

Lighter. More space.
Move freely. No more obstacles.

PERFORMANCE

Aerodynamic. More speed.
Less fuel consumption. In complete safety.

5 good reasons to choose **Aria**.

Design. Modern and exclusive. Never seen before.

Aria creates 10% more shadow than a standard sun-top.

Say goodbye to the standard locking system. **Aria** closes on itself.

It is so light that you will never know to have it.

If it was not true, we would have never named it air.
