

# Winches' service and maintenance

## Winches' service and maintenance

The expertise of Fabbri Fiore and Astilleros de Mallorca joins together to solve your captive winch problems.

From now on, you will be able to experience this unique service and have the opportunity to get logistic and technical assistance that you have never had before.

### We recommend:

- Basic level maintenance on board every two years
- Top level full services every six year in the fabric

### The partners

Fabbri Fiore is an Italian mechanical workshop with over 40 years experience in the production of machines and components.

The company has been developing an indepth specialization in the production of accessories for the yachting industry by designing, engineering and realizing customized projects for the megayachts on-board systems.

The shipyard offers a full range of in-house services that include mechanical, electrical, stainless steel, carpentry, electronics and hydraulic works. Always supported by an experienced management team that will provide assessment in all the yacht's requirements and needs. Astilleros de Mallorca has two locations: the main shipyard and branch workshops and offices in STP.

## Facilities Fabbri Fiore

Our facility is located in the Tuscany Region next to the nautical district of Viareggio, the heart of the yachting industry which is well known worldwide.

## Astilleros de Mallorca Main site

- 4 Slipways with a max haulout capacity of 1700 tn.
- Outfitting quays for vessels of up to 119 m.
- 3 Cranes for 25, 10 and 3 tn.
- Storage containers for personal and yacht related articles.
- 24/7 security.

Our renewed facilities allow us to undertake any refit, conversion, repair or maintenance work that a yacht of 70m (on slip) and up to 110m (in water) might need. The facilities, equipment and specialised personnel, coordinated by our Project Managers, guarantee that the best possible work is promptly performed on your yacht.

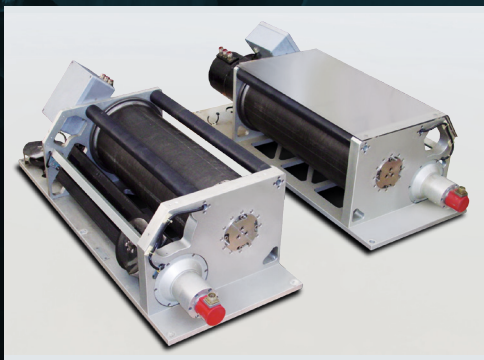

## STP site

- 5 Travel lifts ranging from 30 tn. to 700 tn.
- 53 Berths.
- 55.000 m<sup>2</sup> Dry dock.
- 6 Keel pits plus a fuel dock.
- 24/7 security.

Now having 3 fully manned offices in the Global building, we are able to offer you directly from STP, the following services:

- ▶ TPA & tax free invoicing (where possible).
- ▶ Technical Office & Design Work.
- ▶ Special Survey for Lloyds, ABS, BV and others.
- ▶ Dedicated Project Managers.
- ▶ Purchasing Department - Special Purchases & Part Sourcing.
