

# FLOORY

Professional Cleaning Equipment

A top machine with an attractive price – swift, compact and reliable.

The powerful and energy-saving 700 watt engine ensures an excellent suction power at a low noise level and highly efficient dirt absorption with its 11 l container volume.

As with all other SPRINTUS products, the design and development are of high quality and practical in every detail. With our FLOORY, the user receives a perfect all-round package, a reliable and economic partner for hard floors and carpet.

Aluminium tube, elastic bumpers and easy emptying. The 10m power cable and the 2 m step resistant suction hose without Memory effect ensures maximum maneuverability.
