No light like YACHTLITE

Die schönsten Yachten dieser Welt werden seit 2002 mit den perfekten LED-beleuchteten Schriftzügen und Logos von YACHTLITE ausgestattet.

Vorreiter bei der Umsetzung neuer Visionen und Einsatzfelder zu sein, war schon immer Anspruch und Ziel der kreativen Hannoveraner. Inzwischen setzen YACHTLITE-Produkte überall an Bord

Taking perfection one step further

*Revolutionary production method
Perfect homogeneous illumination
Perfect in any shape
Up to 95 tonnes weight capacity
Tested according to GL*

Diese vielseitigen und perfekt ausgeleuchteten Elemente können unter anderem für Fußböden, Tanzflächen, Wände, Möbel, Theken und Poolböden eingesetzt werden.

These versatile and perfect illuminated elements can be applied for floors and dance floors, walls, furniture, bar counters and pool bases among many others.

No light like YACHTLITE

Since 2002 the most beautiful yachts in the world have been equipped with perfect LED illuminated lettering and logos from YACHTLITE.

To be a pioneer in implementing new visions and application areas, has always been the objective of the creative Hannover team. Today, YACHTLITE products set decisive light accents everywhere on board. FormLite refines contours and stairways, RoomLite fashions

homogeneous illuminating surfaces, FloorLite inlays accentuate teak decks and floors. The LED systems are tested in specialist laboratories to assure successful application in accordance with Germanischer Lloyd. YACHTLITE's personal service and tailor-made solutions meet the highest demands and ensure the desired customer satisfaction.
