

Hygiene and Cleaning
since 1986

ABOUT US

Jofel is a multinational company manufacturing, selling and distributing Professional Cleaning and Hygiene Equipment and Systems, with a presence stretching over 30 years in international markets, including over 80 countries on 5 continents.

**INTERNATIONALLY
CERTIFIED AND GUARANTEED**

30 A JOURNEY
OF OVER
YEARS

OVER **1500**
CUSTOMERS

PRESENT IN OVER **80**
COUNTRIES

OUR MISSION

To offer latest generation Cleaning and Hygiene Equipment on a global scale to the Professional sector. Jofel focuses its efforts towards creating quality products, as well as fully satisfying its customers by establishing mutually beneficial relationships with them.

OUR VISION

To be leaders and set the global standard for Professional Cleaning and Hygiene Equipment, and to help people care for their Hygiene. Commitment to the environment.

OUR AIM

To be the global reference brand and manufacturer for Professional Cleaning and Hygiene Equipment and Systems.

WHAT DO WE **DO?**

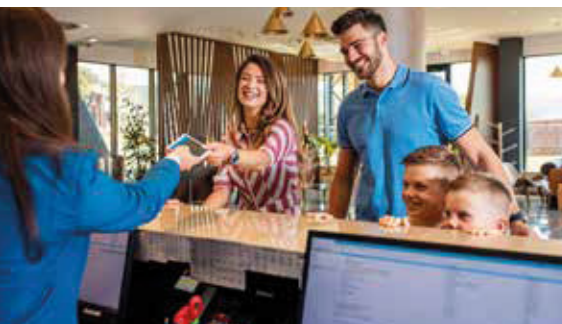

Jofel offers a full service and sets the standard for latest generation products based on quality, range, service, R&D+I in the Professional and Hygiene sector.

As leaders in Spain and Mexico, our activities are undertaken within the institutional channel, with an extensive and complete portfolio for the sector, and a broad commercial and distribution network in over 80 countries.

WHERE DO WE **MANUFACTURE?**

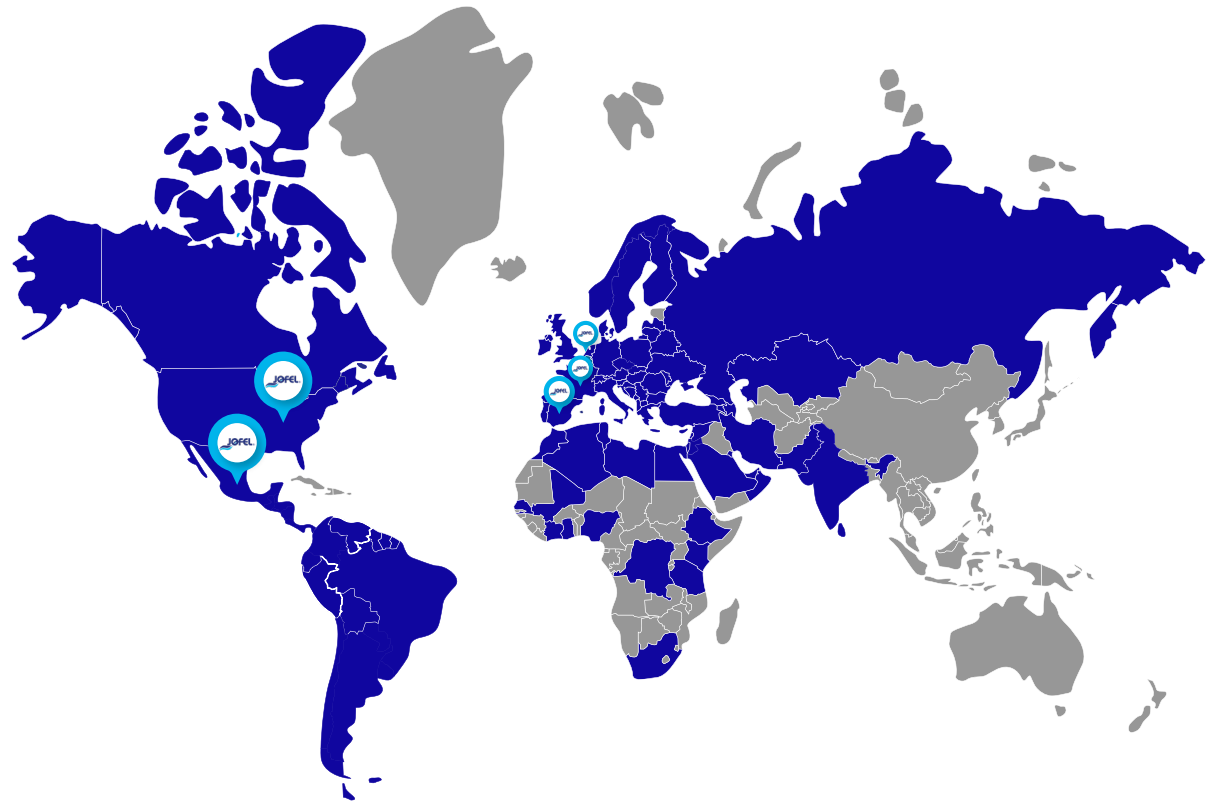

Jofel undertakes its manufacturing operations in Spain and Mexico, making it a solidly global industrial company. This allows it to operate in the global market with products adapted to every need and special requirement, using our experience to develop new items based on our ongoing work in R&D+I.

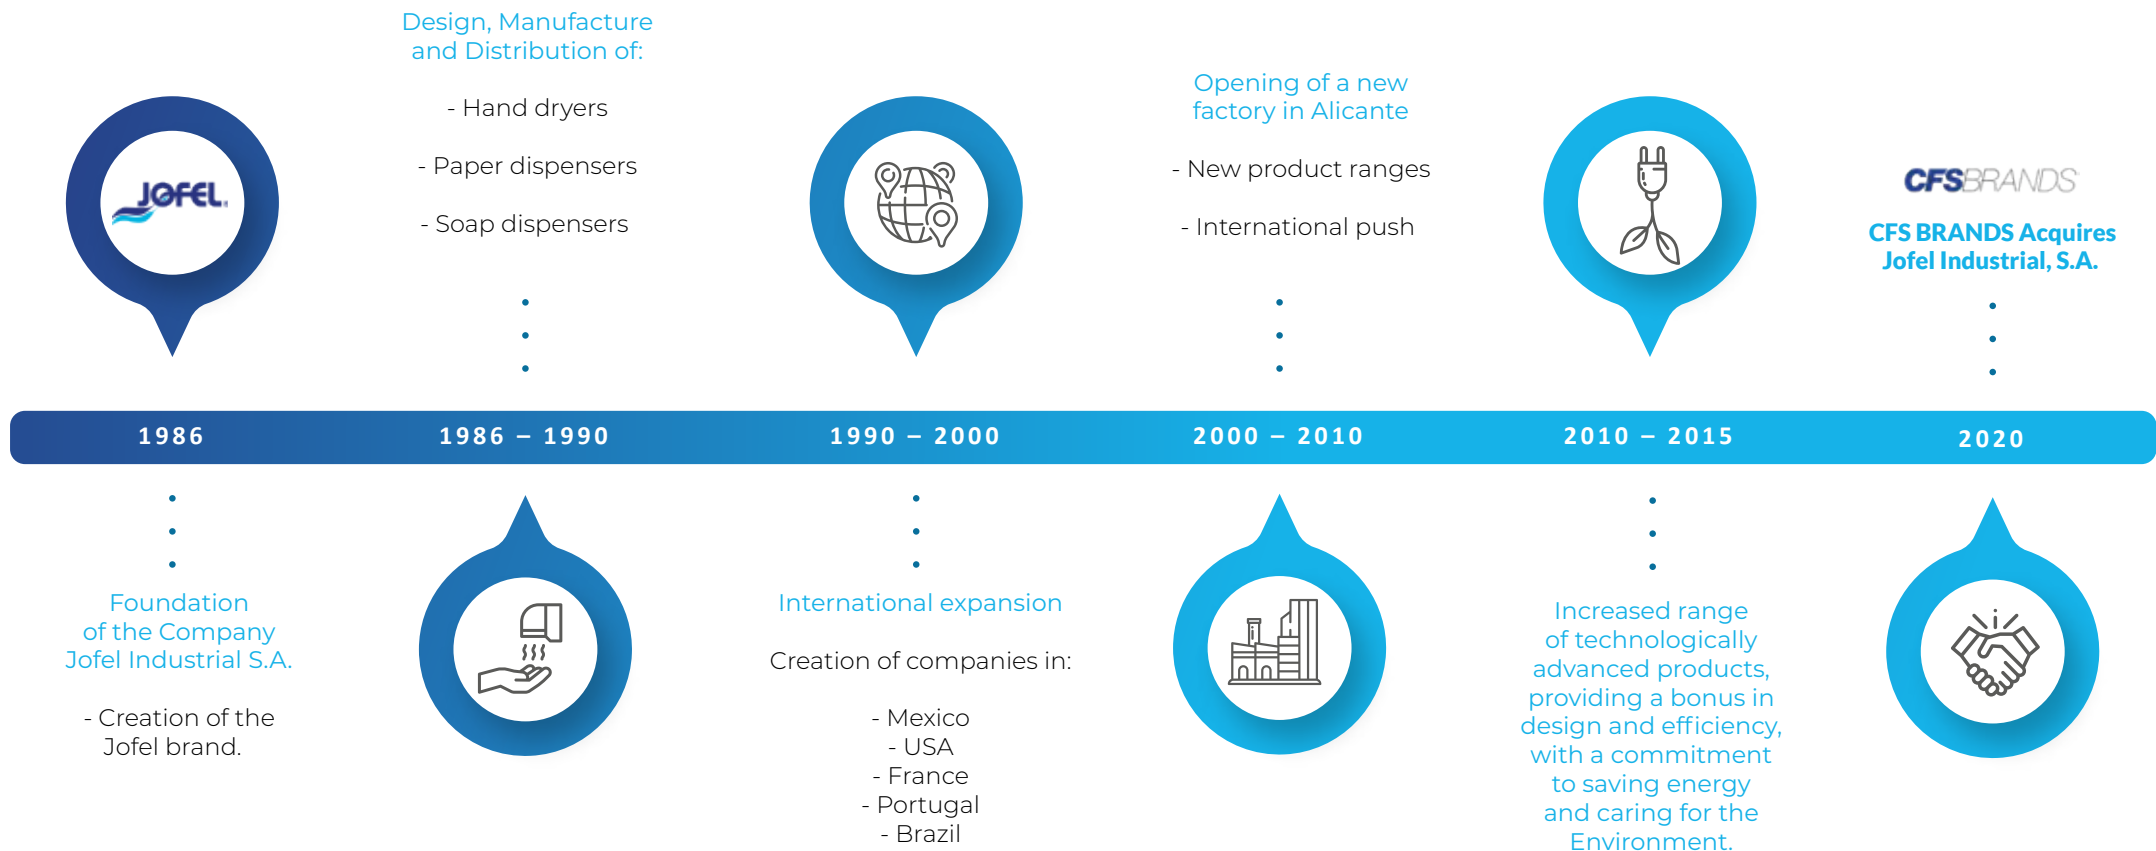

WHERE DO WE **SELL**?

We have our own companies, in Spain and France, Mexico and the United States. **80% of our sales** come from outside Spain, highlighting the importance of our target countries (besides those already mentioned): **United Kingdom, Germany, Portugal, Italy, Morocco, Russia, Middle East, Israel, Poland, South Africa, India, United States, Central America, Colombia, etc. In over 80 countries.**

Our equipment and systems are present in hotels, restaurants, bars, businesses of all kinds, **clinics, hospitals, nursing homes, care homes, offices, consultancies, service stations, shopping centres, sports centres, gyms, universities, colleges, etc.**

KEY INFORMATION

CFS BRANDS ACQUIRES JOFEL INDUSTRIAL, S.A.

CFS Brands is the parent company of leading brands in foodservice, sanitary maintenance and healthcare/hospitality meal delivery in the United States.

Companies such as Carlisle FoodService Products, San Jamar, Dinex, Sparta Brush and others come together under CFS Brands to offer a wide variety of products, services and market leadership.

Trent Freiberg, Chairman and CEO of CFS Brands, commented: "Jofel is an exceptional company and is the perfect complement to our San Jamar brand, both in terms of product and geographic distribution. We welcome all Jofel Industrial S.A. employees to CFS Brands".

We are proud to join the great CFS Brands family.

[CFS BRANDS

CFS Brands connects the leaders in foodservice, sanitary maintenance and healthcare/hospitality meal delivery – offering expanded product choice, services and leadership to the marketplace.

Carlisle FoodService Products.

Professional-grade solutions to the foodservice, healthcare and janitorial markets. The best products of the highest quality with unmatched customer service.

San Jamar.

Your partner in food safety, counter service, personal safety, and washroom products. For more than 20 years San Jamar has listened and innovated – making your operations smarter, safer and more sanitary.

Dinex.

The leader in healthcare meal service and in-patient tray assembly systems. Keeping your guests happy with the best food at the right temperatures; keeping your hot food hot and your cold food cold.

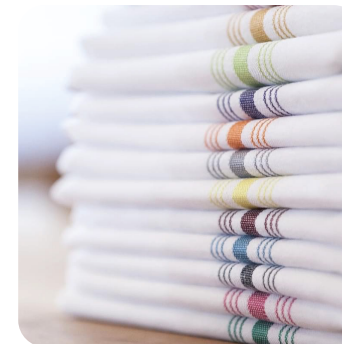

Sparta.

The right brush for every job. The premier name in professional-quality brushes for the foodservice and food processing industries. Sparta offers innovative cleaning solutions made with the very best materials for efficiency and durability. Sparta saves you time and money.

Snap Drape.

In 1973 Snap Drape introduced the first patented clip-on table skirting which offered an efficient, cost-effective way to dress up banquet tables and stages. Still going strong, Snap Drape is the final word in finished textile products for banquets and fine dining.

Marko.

Since 1946, Marko has served the foodservice industry with over 3,000 table covering solutions consisting of fabric products, vinyl products, and specialty products.

[CFS BRANDS

SANI STATION

Sani Station.

Modernizing food safety from prep to plate. Sani Station gives staff access to clean and sanitized continuous use utensils without jeopardizing the flow of business or compromising product quality. Sani Station makes food safety a priority.

PIPER

The Food-Focused Equipment Company

Produits Piper.

Piper Products is a premier manufacturer specializing in cafeteria and buffet serving systems, blast chillers, Anliker vegetable slicers, food merchandisers, an array of support equipment, and food transport equipment. Look for Piper Products in the healthcare industry, convenience stores, restaurants, prisons, school cafeterias, grocery stores, and bakeries.

EL CASTOR

PROFESSIONALS WITH YOU

Cepillos El Castor.

Cepillos El Castor is the leading manufacturer in Mexico and Latin America of cleaning brushes and HACCP compliant color-coded products. Cepillos El Castor focuses on meeting the needs of maximum hygiene for industries and facilities where adherence to critical health and safety standards is vital to their operations.

ayr king

AyrKing.

AyrKing is a team of food preparation specialists committed to the idea that quality, consistency and profitability all start at the very beginning. We understand that optimizing the food preparation process is the key to reducing costs and perfecting the final product.
